My minde is Soe fully Expressed in that which was Signed  
by the Seciretary, by ord<sup>r</sup> of the Councill (which Could not  
have been A Councill w<sup>th</sup>out mee) That I have noe more to  
add but that it Lookes Very Unreasonable that persons that  
are behind in their Arreares Should have them forgiven,  
Whereas those that have paid their Rents, may thereupon looke  
upon it as a Great hardshipp on them whome wee have Reason  
to Judge to be our ffriends in their Ready Compliance therein  
and this allso would Give an Incouragement to a future neglect  
of their Duty to us in that Respect, for I have Reason to be-  
lieve that many that are behind in their Rents, are as able to  
pay them, as those that have already paid, And I Question  
not but I shall be A Competent Judge of the abillity or Dis-  
abillity of those y<sup>t</sup> are In arreares, and I know y<sup>t</sup> y<sup>e</sup> ꝑprietors  
mindes, are not to Ruine any of the Inhabittants of this their
